

## Online Extended Abstract Submission Instructions

ARSC2018 online Extended Abstracts can be submitted via our Editorial Manager website:

<http://www.editorialmanager.com/jacrs>

Once you are on the online submission website:

If you are NOT registered already on the Conference Editorial Manager website there is a 'New Author Online Registration Instructions for Editorial Manager' at this web link: <http://acrs.org.au/contact-us/em-journal-conference-contacts/>. The following is a brief summary of how to register on the EM system.

### 1. Register on our system as an author

- a. Click on '**Register Now**'

Username:   
Password:

[Author Login](#) [Reviewer Login](#) [Editor Login](#) [Publisher Login](#)

[Send Username/Password](#) [Register Now](#) [Login Help](#)

- b. Enter all required fields (where text is red, and marked with an asterisk)  
There are three consecutive pages where you will need to provide information.
- c. Submit your registration
- d. Check your emails for your Editorial Manager Registration, containing your username and password. If you do NOT receive an email please notify [ARSCSubs@acrs.org.au](mailto:ARSCSubs@acrs.org.au).

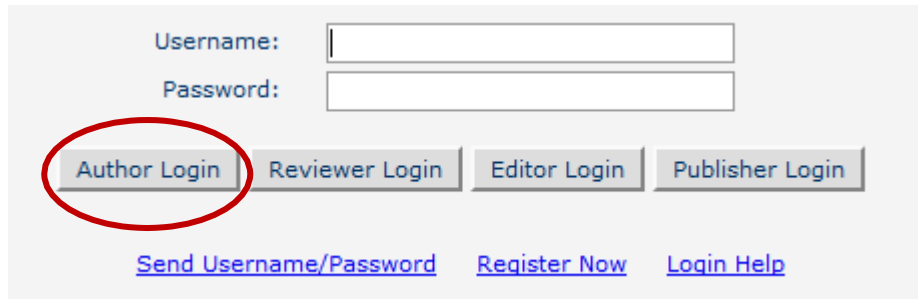

**Note 1:** Registering as an Author does not constitute Registration for the Conference. Registration to attend the conference is a separate process outside Editorial Manager.

**Note 2:** Because Editorial Manager generates emails automatically some spam filters, depending on how strong their filter is set, can inadvertently delete the email or filter it into your 'junk email' folder. If this happens, the Conference Managing Editor will email some advice of how to reduce its occurrence.
