

The ACT's Response to the Decade of Action

11 May 2012

A fair, safe and peaceful community for the ACT

ACT Road Safety Strategy

- The *ACT Road Safety Strategy 2011-2020* provides a local ACT response to the Decade of Action

A fair, safe and peaceful community for the ACT

ACT Road Safety Strategy

- Vision: *Towards Vision Zero*
- Methodology: Safe System
- Strategic goals:
 - 1) Reductions in ACT road trauma that meet NRSS objectives
 - 2) Develop an ACT community that shares responsibility
 - 3) Achieve a culture of stakeholders working together

A fair, safe and peaceful community for the ACT

ACT Road Safety Strategy

Key Points –

- Sets a ten year platform for improved success
- Is supported by multi-year action plans
- Strategy and Action Plan address the strategic goals using a range of education, encouragement, engineering, enforcement, evaluation and support measures

A fair, safe and peaceful community for the ACT

Strategic Goals	Strategic Objectives	Monitor	Implement	Evaluate	Review
1. Reductions in ACT road trauma that meet National Road Safety Strategy objectives	Safe speeds	✓	✓	✓	✓
	Safe roads and roadsides			✓	
	Safe vehicles		✓	✓	✓
2. An ACT community that shares the responsibility for road safety	Safe people and safe behaviours	✓	✓		✓
3. Agencies and stakeholders working together to improve road safety	Coordination and consultation processes	Support measures			
	Data, performance management and evaluation processes	Support measures
